CLIENT PROFILE

Name: Alex B.

Location: Downtown Boston, MA

Profession: Real Estate Agent specializing in high-end properties

Goal: Increase the appeal of properties before showings to enhance buyer interest and close deals faster

CHALLENGE: HIGH EXPECTATIONS AND TIGHT TURNAROUND TIMES

As a real estate agent working with luxury properties, Alex B. knew that first impressions were critical in attracting serious buyers. Her biggest challenges included:

1

Creating a Perfect Showing Environment: High-end buyers have high expectations, and any imperfection—dust, smudges, or clutter—could impact their perception of the property’s value.

2

Managing Tight Schedules for Open Houses and Showings: Real estate is a fast-paced industry, with last-minute showings often scheduled on short notice. Alex needed a reliable cleaning partner who could respond quickly and deliver consistently immaculate results.

3

Staging Assistance: Beyond cleanliness, Alex recognized that the presentation of the space—well-arranged furniture, clear sightlines, and a welcoming atmosphere—played a significant role in appealing to potential buyers. She needed a service that went beyond basic cleaning to help her stage properties effectively.

- **Enhancing Key Selling Points:** Onix’s team focused on areas that potential buyers would notice most—like sparkling kitchen countertops, fresh-smelling bathrooms, and clean, polished floors—ensuring these elements left a lasting positive impression on buyers.

3. Flexible and Responsive Scheduling

- **Dedicated Account Manager:** Onix provided Alex with a dedicated account manager who coordinated cleaning and staging based on his open house and showing schedule. This streamlined communication allowed Alex to focus on client relationships and sales, while Onix handled the cleaning logistics.
